Highlights

Comfortable carrying

Transporting your notebook can often be an uncomfortable experience, but with the soft, padded handle of the Philips Netbook sleeve, you'll never again feel a handle cutting into your hand.

Compact neoprene material
Never again worry about your notebook being scratched in transit. Now, with the slim-fitting neoprene material of the Philips Netbook sleeve, you can take your laptop wherever you go, and protect it from scratches. It's even water resistant!

Easy access compartment
From power adapters, to cables and accessories, you often need to take more with you than just your laptop. With the external zippered compartment of the Philips Netbook sleeve, you can bring along you need, wherever you go.

Rubberized scratch-free zipper
Your notebook might get scratched by the zipper head when putting your notebook in. The Philips Notbook sleeve uses a rubberized zipper puller reduces the possibility of your notebook being scratched as well.
